

THE NATURE'S RE-PELLET

A supplement flavored with garlic and botanical plant extracts that can be fed to Deer, Cattle, Horses, Sheep and Goats.

GUARANTEED ANALYSIS:

Crude Protein, min.	12.00%
Crude Fat, min.	5.00%
Crude Fiber, max.	12.00%
Acid Detergent Fiber (ADF), max.	16.22%
Calcium (Ca), min.0.75%, max.	1.25%
Phosphorus (P), min.	0.75%
Potassium (K), min.	1.00%
Selenium, (Se), min.	0.25 ppm

INGREDIENTS:

Processed Grain By-Products, Grain Products, Roughage Products, Molasses Products, Calcium Carbonate, Natural and Artificial Flavor Ingredients.

FEEDING DIRECTIONS:

Feed as a top dress, or mix with other feed along with hay or other roughages. Introduce supplement at the rate of 4 to 8 ozs. per head per day. Gradually increase feed to desired intake (maximum feed rate for large animal- 1.0 lb., small animal- 0.5 lb.). For self feeders, blend 10 to 15 lbs. of Natures Re-Pellet with approximately 200 lbs. of feed.

Allow at least seven days for adjustment to new supplement. Provide adequate bunk space for each animal and a source of fresh, clean water at all times.

In groups, animals can experience digestive disturbances from over-eating feed. Poor feeding practices, weather changes and enterotoxemia can result in erratic feed consumption and increase the incidence of digestive problems. Always follow directions and good management practices.

**MANUFACTURED BY
BIG Y FEEDS, INC.**
