PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Causes moderate eye irritation. Wear protective eyewear. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Wear long-sleeved shirt and long pants, socks, shoes and gloves.

FIRST AID:

If in Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Hot Line Number: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information concerning this product, call the National Pesticide Information Center (NPIC) at 1-800-858-7378 seven days a week, 6:30 am to 4:30 pm PST (NPIC Website: www.npic.orst.edu)

PERSONAL PROTECTIVE EQUIPMENT

Mixers and other handlers must wear long-sleeved shirts and pants, shoes plus socks, and chemical resistant gloves (nitrile rubber, barrier laminate, neoprene rubber or Viton). Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic invertebrates. Do not contaminate water when disposing of equipment wash water.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Instructions: There is no withdrawal period for Veemin Fly Control Mineral W/ Justifly®. Start feeding Veemin Fly Control Mineral W/ Justifly® in the spring before flies begin to emerge and continue use until cold weather marks the end of the fly season. In some cases, supplemental fly control measures may be needed in and around pastures, barns, and feedlots to control adult flies which can breed in other decaying matter or silage in the area or migrate in from other locations.

Feeding and Management Instructions: Feed this product to cattle only. When used as directed, Veemin Fly Control Mineral W/ Justifly® will provide sufficient diflubenzuron insect growth regulator to prevent emergence of adult horn flies, stable flies, house flies and face flies from manure of treated cattle. Existing adult flies will not be affected. Start feeding before flies appear, and continue feeding until cold weather marks the end of the fly season. Allow free choice to cattle. Cattle should consume an average of 0.4 oz. of Veemin Fly Control Mineral W/ Justifly® per 100 lbs. of body weight/day, which is equivalent to 4 oz per day per 1000 lb. animal.

1. Assure cattle are not starved for nutrients in this product prior to feeding this product.
2. Offer 50 lb. of Veemin Fly Control Mineral W/ Justifly® for every 15 head of cattle.
3. Remove other self-limiting nutritional supplements.
4. Remove all other self-limiting nutritional supplements while the cattle are being fed Veemin Fly Control Mineral W/ Justifly®.
5. Replenish Veemin Fly Control Mineral W/ Justifly® on a regular basis as needed.
6. If intake of the product is below 0.4 oz./100 lbs. animals body weight/day increase the number of feeding locations and/or change location(s) to areas more frequented by animals.
7. If intake of the product is above 0.4 oz./100 lbs. animals body weight/day reduce the number of feeding locations and/or change location(s) to areas less frequented by animals.
8. Introduction of this product after adult face flies and adult horn fly infestations are established, will require treatment of cattle with an adulticide, if elimination of the adult fly population is required.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a cool place. Do not contaminate with pesticides or fertilizer.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Completely empty bag, then offer for recycling if available, or dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY & LIMITATION OF DAMAGES

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, and Buyer assumes the risk of any use contrary to such directions. To the extent consistent with applicable law, Seller makes no other express or implied warranty of Fitness or Merchantability, and no agent of Seller is authorized to do so except in writing and with specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which the claim is made.
